## From the Sr. Warden

\*The below letter was written by The Reverend Canon Richard Hogue of St. Paul's Episcopal Cathedral in San Diego, CA.

Dear friends,

It is hard to believe that the close of Easter is upon us, as the great fifty days end on Sunday, June 8th with Pentecost (be sure to wear red to church!). The long Eastertide season will subside, and the even longer post-Pentecost season will begin once again. But let's linger on Pentecost for a moment.

Besides the rare use of red vestments that day—symbolizing the fire of the Holy Spirit on the tongues of fire—we mark the day with a cacophony of languages, honoring one of the first gifts of the Holy Spirit to be bestowed on the disciples and followers of Jesus in the wake of his ascension into heaven. That cacophony symbolizes the beauty of diversity in both language and gifts that God gives us. It is this panoply of Pentecost that gives the church its rich texture, composing a body that extends across time and continents, giving us a spectrum of ways to view the mission God gives us and ways to build Christ's reign in this world. The real power of Pentecost is that it allows us to joyfully view this spectrum, recognizing that our

community of saints is not monolithic, and neither are our experiences.

Speaking up, using our tongues and hearts of fire to remake the world around us is the very essence of what makes the story of Jesus and the way he lived so compelling. Jesus didn't shy away from the social ills of his time; he embraced the pain of dispossessed and oppressed. He embraced the power of speaking the truth in love, calling out and clashing with forces of violence that put power on a pedestal and people in the grave. Jesus asks us to confront these same realities, not with fear, but with courage, love, and compassion.

As we look to Pentecost and Memorial Day, I pray we all find space and time to use our God given gifts and our hard-won freedoms to create more life, opportunity, and community together. We do honor to our Creator when we live lives of blessing, bringing hope and joy to those society chooses to forget. May God give us hearts of love and flame to heal and bless the world.

Using vivid CG animation, stunning visual effects, epic orchestration, the latest scientific and historical research, and interviews with experts and PhD's, this epic film delivers an incredible, thought-provoking investigation into the hotly debated topic of our origins.

## **Average Joe**

**August 13**

**Film length: 1 hour; 50 minutes**

High school football coach Joe Kennedy has always been a fighter. He had no other choice. Abandoned by his biological mother, Joe spent his childhood fighting through the cold realities of foster care and group-home life. At 18, he finally found a home for his warrior spirit: in the Marine Corps, where he served in the Gulf War. Following a distinguished career in the Corps, he returned home not realizing that his biggest battle was yet to come. After retiring from the Marines, Joe felt led by God to help coach high school football--where he could pour into a generation of young men the love and guidance he so desperately sought at that age. Retired, happily married, building into kids as a strong role model... it all was finally coming together for Joe. Until he prayed. Joe was fired. For praying. Silently. By himself. After the games.

## **His Only Son**

**August 20**

**Film length: 1 hour; 44 minutes**

His Only Son recounts one of the most controversial moments in the Old Testament--when Abraham was commanded by God to sacrifice his son Isaac on the mountain of Moriah. While traveling with Isaac and two servants, Abraham is flooded with vivid memories from the years he and Sarah spent longing for the son they were promised--the son he must now lay upon the altar.

## Heaven's War

August 27

**Film length: 1 hours; 34 minutes**

HEAVEN'S WAR is the story of freshman U.S. Senator Jonah Thompson. Jonah's work as a senator gets him caught up in a battle between real demonic forces and the forces of good, including the angel Gabriel. Will Jonah recognize his life's true savior, or will he give in to temptations and sin? The supernatural battle of good versus evil described in the Bible is dramatized in the movie. Christian viewers will recognize Christian theological orthodoxy in the teaching of Gabriel.
